Ooh,  
the sea!

I CAN SEE  
THE SEA, ONEE-  
SAMA.

But  
Onee-  
sama...

YES,  
BUT...

HONESTLY...  
IT'S NOT AS  
THOUGH  
YOU'VE NEVER  
SEEN IT  
BEFORE,  
IS IT?

I'M  
SORRY.

YOU'RE  
NOT A CHILD,  
AFTER ALL.  
HOW EMBAR-  
RASSING!

YUMI! YOU  
MUSTN'T  
MAKE A  
COMMOTION  
ON THE  
TRAIN.

MARIMITE-COMPLEX

~終わらない季節  
ENDLESS SEASON

This is a  
beach, right?

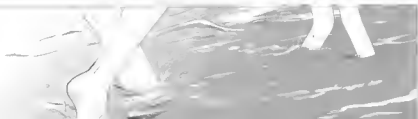

It's so  
crowded

Will you  
be all  
right, Ono-  
sama?

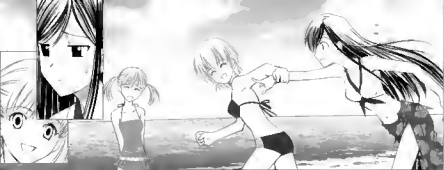

It's my  
first  
time  
coming  
here  
with  
you.

OH...  
NO, OF  
COURSE  
NOT...

DO I  
LOOK  
WORN  
OUT TO  
YOU?

WHAT?

THEN  
KINDLY  
REFRAIN FROM  
MAKING SUCH  
FRIVOLOUS  
STATE-  
MENTS.

YOU DIDN'T  
OVERDO IT  
HANGING OUT  
WITH US.  
DID YOU...?

UM...  
ARE YOU  
ALL RIGHT,  
ONEE-  
SAMA?

THE  
PLEASANT  
FEELING OF THE  
SEA BREEZE  
CARESSING  
SUNBURNT  
SKIN.

I WASN'T  
ACQUAINTED  
WITH

OH,

HONESTLY...!  
ULTRAVIOLET  
RAYS ARE  
HARMFUL TO  
YOUR BODY.

THAT'S RIGHT.  
THAT'S WHY YOU  
HAVE TO SPEND  
SOME TIME OUTSIDE  
DURING THE DAY,  
EVEN IF IT'S  
HOT OUT.

YUMI?

NEXT  
SUMMER,  
YOU'LL HAVE  
ALREADY  
GRADUATED.  
YOU WON'T  
BE AROUND  
ANYMORE...

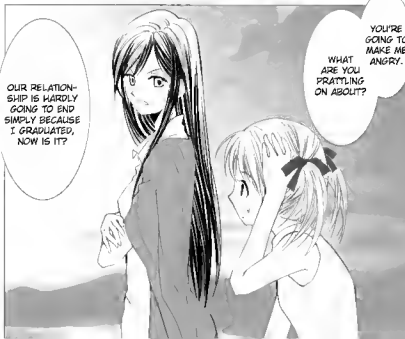

YOSHINO-  
SAN AND REI-  
SAMA ARE  
COUSINS—THEY  
EVEN LIVE NEXT  
DOOR TO EACH  
OTHER. THEY'LL  
ALWAYS BE  
TOGETHER.

I ENVY  
SHIMAKO-  
SAN AND  
NORIKO-  
CHAN...

THEY HAVE  
TWO MORE  
YEARS TO-  
GETHER.

OUR RELATIONSHIP IS HARDLY GOING TO END SIMPLY BECAUSE I GRADUATED, NOW IS IT?

YOU'RE GOING TO MAKE ME ANGRY.  
WHAT ARE YOU PRATTLING ON ABOUT?

AFTER ALL,  
YOU'LL ALWAYS  
BE MY PETITE  
SOEUR, EVEN  
AFTER I'VE  
GRADUATED.

*My first  
summer  
with Onee-  
sama is  
ending.*

*My first  
year with  
Onee-sama  
is ending.*

LET'S COME  
HERE AGAIN  
NEXT YEAR.

But my  
season  
with  
Onee-  
sama

YES,  
ONEE-  
SAMA!

Isn't  
over  
yet.

It  
will  
continue  
on  
forever...

Fin.

Evangellion with Marimite characters

... it was impossible.

I suddenly hit on the idea, and got wrapped up in the casting and whatnot, but when I started to draw the story . Having pure, proper young ladies act it out was too sinful (laugh)

I don't know whether or not it's possible, but if I get the chance, I think I'd like to try and beat this sometime

Why me..?

That's the end of this Marimite book.  
Thank you for reading this far.

*Maria-sama ga Miteru...* I never thought  
I'd be so into a Cobalt title. (laugh)

The characterization is so good that you  
get drawn into their world without even  
realizing it.

One thing that I'm wondering about is  
how long the story will continue. Will it  
end with Sachiko's graduation...?

I'd be happy if they did a college arc  
after that.

Oh, and I want Touko-chan to  
become Yumi's petite soeur.

This has degenerated into incoherent  
rambling. Anyway, there are a lot of other  
Marimite-related stories that I want to draw,  
so I'm thinking of releasing a book this winter.  
(A book about Hanadera, "Good day, Onii-  
sama!" (Just kidding.))

Well then, let us meet again  
someday, if fate so wills it.

Good day, Onee-sama.
